With experienced teachers who are experts in their field, exhaustive Live lectures, recorded lectures, video lectures of NDI, meticulously prepared study material & Navkar's robust exam system, students would get the best of both top class educational institutes in their pursuit to achieve their desired Degree.

US CMA

Be the best accounting
and finance professional.

US CMA

World's highest qualification
in accountancy

CMA (Certified Management Accountant), is a designation provided by **IMA (Institute of Management Accountant)**. It is a US based course existing since 45 Years. CMA certification has been the global benchmark for Management Accountant and Financial Professionals. In all, there are 1,00,000 members around the world and approx 20,000 students appear for the exam every year.

US CMA

World's highest qualification
in accountancy

According to various surveys, the median total compensation of CMAs is 67% higher than that of Non-CMAs. Major Industries where the employability of CMAs are: MNCs, Consulting firms, Financial services, Investment Banking, etc. The designation that will be offered to the candidate after becoming CMA are Cost Accountant, Internal Auditor, Budget Analyst, Financial Analyst, CFO, Controller, etc.

NAVKAR CMA REVIEW
